

## Friends of Congregation Beth Yam

A synagogue is where Judaism is nurtured and the Jewish community is created and maintained. Most of us in Hilton Head are building a new, extended family in Hilton Head among those we have met through our relationship to Beth Yam.

We continue to keep our dues at affordable levels, but they only cover 65% of our operational costs. Additional financial support is needed for two important reasons: First, to enrich our congregational life through quality programs and services; and, second, to foster the mitzvah of tzedakah that recognizes our obligation to ensure that every Jewish family, and especially our children, who want to be a part of our congregational family, has that opportunity.

The Friends of Beth Yam allow us to excel in these areas. Your gift, no matter how large or small, can make a difference in our congregational life and allow us to continue to shine as the center of Jewish spiritual and communal life in the Lowcountry.
