

**CONGREGATION BETH YAM  
PUBLIX REBATE PROGRAM CHANGES  
EFFECTIVE 10/1/2019**

Effective October 1, Publix will no longer be accepting the conventional FOB that you are accustomed to. Since the rebate program was launched at CBY we have received a bit over \$10,000 from the Publix School Rebate program. This has been one of the more successful fund-raising efforts of its type and we want that to continue. However, they are now requiring CBY members and others who want to support the CBY Religious School to use their new system of recording purchases. So we need your support to carry on with the program by opening an account and using it when you do your shopping at Publix.

The following instructions tell you how to go about setting up your personal account online. Once your account is active just enter your phone number on the keypad at checkout and each time you make an eligible purchase CBY will get credit for your purchase.

To register simply follow the instructions below. There are also instruction cards in the office at CBY should you want to pick one up there.

1. Go to <https://rx.publix.com/en/home/SignUp>, and type this EXACTLY as it's shown
2. In the upper left click SIGN UP.
3. Then go to SET UP AN ACCOUNT.
4. Open your account - Top left tab
5. Open your account and scroll down and find MY PUBLIX PARTNERS.
6. From here you can search for a school. We are CONGREGATION BETH YAM RELIGIOUS SCHOOL just add it and CBY gets credit when you record your purchase at checkout.

This is an excellent program so if you want it to continue we need your support by opening an account and using it when you do your shopping at Publix.
