

Grandparents Workshop

January 27, 2019 at 1:00 PM

CBY Social Hall

Please join us for lunch and a discussion of the challenges you face grand parenting children who are being brought up in interfaith families.

This event is free of charge for CBY members.

If you are in an interfaith marriage or have children or grandchildren in interfaith relationships, this workshop will explore your questions:

- How do I raise the issue of celebrations for Jewish holidays?
- What is my role as a Jewish grandparent?
- How do I discuss Judaism with my grandchildren and/or children?

Outreach, a branch of the Membership committee,
serves all CBY families.
