CBY OPENS FULLY FOR SHABBAT ON JULY 2!

One of the comments we have frequently heard this year is how much our members have missed attending Shabbat services in person with Rabbi Bloom in our Sanctuary. It's a unique worship setting, with the ark surrounded by a wall of Jerusalem stone, reminiscent of the Western Wall, the holiest site in Israel. It is where we often feel a connection to an eternal and sacred presence.

July 2, we are excited to welcome you as the Synagogue re-opens fully for Shabbat services. Covid risks are now at minimal levels, due in large part to the availability of vaccines and the accelerated rate of inoculations that has been achieved.

Please note: The CBY office will remain closed and meetings will continue to be conducted on Zoom.

The Center for Disease Control has greatly reduced or eased their Covid guidelines, so that it will no longer be necessary to wear masks, social distance, or limit attendance within the synagogue starting in July. Of course, we will continue to offer streamlined Internet broadcasts for those who prefer it.

We will continue to follow all Covid protocols for the June 18 and June 25 services and then transition to **normal practices starting on July 2.**

Warm Regards,

Candy Solomon, President
