IMPORTANT INFORMATION FOR CBY MEMBERS AND GUESTS *NEW COVID-19 PROTOCOLS*

On March 1st, the Center for Disease Control (CDC) announced that Beaufort and Jasper Counties are “low risk” for Covid19 since the infection rate has fallen below 5%. Many retail and other establishments have already reduced or removed their requirements for wearing masks and social distancing.

We are similarly revising our Covid19 Protocols when entering any area of the Synagogue, including the Sanctuary, Social Hall, Religious School, etc., as follow:

- **Masks are Optional**
- **Please be respectful to other people who choose to wear masks**
- **If you are unvaccinated, we recommend that you wear a mask inside the synagogue**

Use of the kitchen and dining facilities for Onegs and other events can also return to their normal food preparation and serving routines (food no longer needs to be individually packaged). Please contact the office if you have any questions.
